CONTENTS

Vol. 72, No. 1, August 25, 1960

PAGE

Kikuchi, G. and **Yoshizawa, Z.** Hajime Masamune 1

Iwatsuki, K. and **Murakami, M.** Interaction between Succinylcholine and Imbretil 5

Jin, F. Experimental Studies on Homologous Heart Transplantation. First Report : Part I. Techniques of the Transplantation. Part II. The Behavior of the Transplanted Heart 10

Jin, F. Experimental Studies on Homologous Heart Transplantation. Second Report : Pharmacological Studies on the Transplanted Heart.. 24

Jin, F. Experimental Studies on Homologous Heart Transplantation. Third Report : The Limits of Restoration of Preserved Heart..... 30

Tanaka, T. and **Usuba, M.** Scabies Norvegica Associated with Leukemia Cutis 35

Mori, T. and **Haga, A.** Histological and Histocchemical Observations on the Developing Pancreas of Fetal Mouse 42

Kamoi, M. Statistical Study on Relation between Breast Cancer and Lactation Period. First Report : A Comparative study through Cumulative Frequency Distribution 59

Kamoi, M. Statistical Study on Relation between Breast Cancer and Lactation Period. Second Report : Adoption of Square Root Measure 66

Kamoi, M. Statistical Study on Relation Between Breast Cancer and Lactation Period. Third Report : Study through Relative Liability.. 72

Ohashi, Y. On a Rare Disease Due to Alternaria Tenuis Nees (Alternariasis) 78

Yamamoto, C. Role of the Peripheral Sensory Pathway in Performance of the Conditioned Leg Flexion Reflex 83

Segi, M., FuiiSaku, S., Kurihara, M., Nakai, Y. and **Sasajima, K.** The Age-Adjusted Death Rates for Malignant Neoplasms in Some Selected Sites in 23 Countries in 1954–1955 and their Geographical Correlation 91

Siering, H. The Effect of Phosphorus-Organic Compounds on Ascites Tumor in Mice 104

Vol. 72, No. 2, September 25, 1960

Ohneda, A. On the Pituitary Adrenal System in the Rats with the Administration of acetoacetate 107

Yagi, T. Some Observation on Chemical Components of Gallstones in the Sendai District of Japan 117

Kojima, M. and **Ohta, S.** Experimental Studies on the Standard of Evaluating the Defence Reaction of the RES against Inflammation .. 131

Yoshizawa, Z. A Note for Identification of Uronic Acids in Mucopolysaccharides 140

Kuroyanagi, T. Cholesterol Transport Mechanism of Hypercholesterolemia in Cholesterol-fed Chicks 144

Itoh, C. Mucopolysaccharides and Glucidamins in Bovine Lungs First Report : On Glucidamins and a Morisch-positive Mucopolysaccharide.. 150

Takanami, A., Ohya, S. and **Goto, Y.** Urinary Excretion of Pyruvic Acid, Citric Acid and Ketoglutaric Acid after the Intravenous Injection of Pyruvate and Fructose in Diabetic Patients..... 163

Segi, M. and **Kurihara, M.** Cancer in Japan from the View Point of Geographical Pathology 169

Nakao, T. Concurrent Infection with Influenza A-prime and B Viruses in the Same Individual..... 194

Nakao, T. A Fatal Case of Meningoencephalitis due to Hemagglutinating Virus of Japan 197

Gullotta, F. Demyelination of Corpus Callosum in Chronic Alcoholism (Marchiafava-Bignami's Disease) 201

Vol. 72, No. 3. October 25, 1960

Ichijo, M. Studies on the Motile Function of the Fallopian Tube. Report 1. Analytic Studies on the Motile Function of the Fallopian Tube .. 211

Ichijo, M. Studies on the Motile Function of the Fallopian Tube. Report 2. Effect of Audio-Rectangular Pulse Wave Current on the Motile Function of the Fallopian Tube 219

Ishii, K. and **Ishii, K.** Carotid Sinus Reflex Acting upon Shivering 229

Ishii, K. and **Ishii, K.** Relation of Blood Pressure to Shivering..... 237

Oyake, H. Kudo, Z. and **Arakawa, T.** A Correlation between Nuclear Diameters of Oral Epithelial Squamous Cells and Blood Vitamin B_{12} Levels of Children with Nutritional Dystrophy Studies on Nutrition of Children at Hirosaki Area (93rd Report) 243

Nakao, T. Primary Varicella Pneumonia 249

Nakao, T. Hypergammaglobulinemia and Its Relation to Ascites on Tuberculous Peritonitis 253

Yamashita, E. Localized Response of the Toad's Retina to Microillumination and Intermittent Light 257

Ishitoya, T. Hypothermia and Cortical Evoked Potentials 265

Moniwa, H. Statistical Studies on the Correlation between the ABO-Blood Groups and Some Diseases 275

Okuda, Y. Histochemical Studieson the Metabolism of Fat and Vitamin A of Placenta 290

Yoshinaga, K. Sato, T. and **Ishida, N.** Studies on the Role of Noradrenaline in the Pathogenesis of Hypertension 301

Vol. 72, No. 4, November 25, 1960

Kojima, M. and **Kamejima, Y.** A Histopathological Study of Multiple Myeloma 309

Osato, T. and **Ishida, N.** The Labelling of Influenza Virus with Radioactive Phosphorus in *Maitland* Type Tissue Culture First report: Growth Characteristics of Myxoviruses in Tissue Culture 322

Masamune, H., Kawasaki, H., Shinohara, H., Abe, Sh. and **Abe, S.** Molisch-positive Mucopolysaccharides of Gastric Cancers as Compared with the Corresponding Components of Gastric Mucosa. Fifth Report: On MPSs (Mucopolysaccharides) III 328

Homma, M., Kudo, H. and **Ishida, N.** Studies on Experimental Influenza in Mice IV. Growth Characteristics of the PR8 Virus in mouse Tissues Explanted in Vitro 338

Masamune, H., Kawasaki, H. and **Shinohara, H.** Anemia-inducing Substances from Stomach Cancer Tissue I. On a Dialyzable Active Substance 348

Masamune, H., Kawasaki, H., Shinohara, H., Abe, S. and **Ito, E.** Anemiainducing Substances from Stomach Cancer Tissue II. A KIK Factor in Stomach Cancer Tissue 356

Iwama, K., Yamamoto, C. and **Ohsaki, K.** Paroxysmal Discharges of Cat's Cerebral Cortex treated with Gamma Aminobutyric Acid 366

Tsukahara, T. Changes in Electrical Sensitivity of the Touch Receptor after a Conditioning Mechanical Stimulus 377

Itoh, C. Mucopolysaccharides and Glucidamins in Bovine Lungs. Second

Report: On Hexuronic Acid-Containing Mucopolysaccharides 385

Wada, T., Horigome, S. and **Sakurada, T.** Clinical Experience of the So-Called "Atropine Toxicity Therapy (Forrer)" 398

Yamaguchi, I., Nishiyama, Y., Inoue, K. and **Yoshinari, T.** Blood Pictures in Stomach Cancer, Especially on Their Relation with Cancer Progress. First Report: Serum Proteins and Serum Colloidal Reactions 404
